[STB Docket No. AB-43 (Sub-No. 178X)]

Illinois Central Railroad Company–Abandonment Exemption–in Madison County, MS

Illinois Central Railroad Company (IC)¹ has filed a notice of exemption under 49 CFR 1152 Subpart F–Exempt Abandonments to abandon its line of railroad that comes off IC’s Grenada Sub at milepost 705.2 and traverses eastward approximately 12,300 feet to the end of the track in Canton, Madison County, MS. The line traverses United States Postal Service Zip Code 39046.

IC has certified that: (1) no local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line to be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

¹ IC is a wholly owned subsidiary of Canadian National Railway Company.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line R. Co.—Abandonment—Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on May 11, 2006, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by April 21, 2006. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by May 1, 2006, with: Surface Transportation Board, 1925 K Street, N.W., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to IC's representative: Michael J. Barron, Jr., Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Service Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which currently is set at \$1,200, but is scheduled to increase to \$1,300, effective April 19, 2006. See Regulations Governing Fees for Services Performed in Connection with Licensing and Related Services—2006 Update, STB Ex Parte No. 542 (Sub-No. 13) (STB served Mar. 20, 2006). See 49 CFR 1002.2(f)(25).

If the verified notice contains false or misleading information, the exemption is void ab initio.

IC has filed environmental and historic reports which address the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by April 14, 2006. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 565-1539. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), IC shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by IC's filing of a notice of consummation by April 11, 2007, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at

“WWW.STB.DOT.GOV.”

Decided: April 4, 2006.

By the Board, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams

Secretary
